## EXPERIENCE

### Associate Software Engineer

#### Matrix ComSec

📅 Aug 2024 - Present

- Managed and maintained **SAP** and **CRM** systems, ensuring smooth operations.
- Worked on **SAP upgrade projects**, including system migration and performance optimization.
- Performed **Basis administration** tasks, including user management, system monitoring, and troubleshooting.
- Customized **CRM** modules to enhance business process efficiency.
- Administered and configured **JIRA**, managing user roles, workflows, and project settings.
- Collaborated with cross-functional teams to implement and test SAP solutions.

### Android Developer

#### Summon Electronics

📅 Nov 2023 - July 2024

- Built and integrated UI components and AppFlow
- Created Full-Stack Application using **Kotlin**
- version control service used **Github**
- Developed package inspection app that collects data like photos of package condition and height and weight of the package.
- Store all of this data in the AWS S3 Bucket and generate an automatic PDF.

### Front End Developer Intern

#### Whatfind.in

📅 Jan 2023

- Designed and developed a Business Listing website and created a reservation and rating system for restaurants.
- After publishing the website to the users, the customer base grew by 60% in the subsequent month.

## PROJECTS

### Inspection Genie App

android development, kotlin, aws s3 bucket, mysql

📅 Nov 2023

- Converted UI Wireframes into UI Components and Created App logic.
- Used technologies are Kotlin Coroutines, MySQL Database, AWS S3 Bucket, PDF generator Library
- Developed an inspection app in which we can take pictures and dimensions of packages and generate PDF of that data ;
- AWS S3 Bucket is used to save the photos and PDF.
- We can see the previous inspection records.

## EDUCATION

### B.Tech in Computer Science

#### Parul University

📅 April 2024

### Higher Secondary

#### BSER

📅 May 2020

### Secondary

#### BSER

📅 Jun 2018

## SKILLS

Android Development Kotlin Java  
SAP JIRA MySQL Git linux  
Firebase Android SDK Azure  
AWS

## PARTICIPATION

- Intern Nation Leadership Tour by CSI 2023
- Machine Learning Workshop at PIET 2023
- R-programming Workshop at PIET 2022
- School of Leadership at Parul University 2022

## CERTIFICATION

- Android App Development - Internshala
- Data Engineering - Coursera
- R-programming - Parul University
- Basics of ML - Parul University
- Android Developer Intern - Summon Electronics
