Experience

Param Group of Companies, Vadodara

April 2024 – Present

Project: Param Institute of Education

- Designed a comprehensive education website, including an **Admin Portal, Student Portal, and Instructor Portal**.
- Created a user-friendly and visually appealing interface to enhance the learning experience. Ensured full responsiveness by designing adaptive layouts for **desktop, tablet, and mobile screens**

Project: Restaurant Website

- Designed an interactive and user-friendly **Restaurant Website** with modules for **Front Desk Manager, Admin, Chef, and Dietician**.
- Developed an intuitive interface to streamline restaurant operations, ensuring a seamless experience for staff and customers.

Project: Digital Education Application

- Designed a **Digital Education Application** with **User and Admin Modules**.
- Developed a seamless and engaging user interface to enhance the learning experience.

Project: Home care – IOT Dashboard

- Designed an **IoT-based Home Care Dashboard** to monitor and manage smart home devices efficiently.
- Created an intuitive, user-friendly interface enabling real-time data visualization and control.

Project: ZEUS Gaming Web and Mobile Application

- Designed a **mobile gaming platform** featuring structured **Super Admin, Admin, and User Flows**.
- Focused on immersive user engagement with seamless navigation and a visually compelling design optimized for mobile screens.

Project:

- Designed various web and mobile applications, including Param Ecosystem (Param.us, Param Wellness, Param Care, Param Food), Learning Management System (LMS), Daily Task Update App, Project Management System, E-Commerce App Redesign, and may more.

Bapa Sitaram group of companies, Vadodara

Nov 2023 – March 2024

Project: Ayurveda Website

- Led the design and project management efforts for an Ayurveda-focused initiative.
- Acted as the primary point of contact for client communication throughout the development of an Ayurveda website, ensuring their needs and preferences were accurately captured and implemented.
- Engaged in regular discussions and meetings with the front-end team to clarify the client's vision, requirements, and feedback regarding the website's design and functionality.
- Developed wireframes, prototypes, and mockups that seamlessly integrated Ayurvedic knowledge with modern design aesthetics, fostering user engagement and retention.

Weltec Institute, Vadodara

July 2023 – Nov 2023

Project: Hotel Booking Application

- Designed a hotel booking application as a UI/UX designer during training institute coursework.
- Implemented user-centered design principles to enhance user experience and streamline the booking process.

Project: Interior Design Website

- Conceptualized and executed an interior design website project as a UI/UX designer during training, showcasing creativity and user-centric design.
- Proficiently utilized UI/UX design tools, contributing to the successful completion of the project in a collaborative training environment.
