B.E.	2016	7.18 (C.G.P.A)	Dr. Babasaheb Ambedkar College of Engineering & Research	RTMNU
H.S.C.	2012	61.67%	Dharampeth Junior College	Maharashtra State Board
S.S.C.	2010	70.91%	Dharampeth Girls High School	Maharashtra State Board

CAREER CONTOUR

CS Cloud InfoTech

Salesforce Administrator and Developer (Administration / Development)

PROJECT UNDERTAKEN

PROJECT TITLE: International Conference an Event Management System

ENVIRONMENT: configuration, Apex, Trigger

KEY ROLE: Salesforce Admin/Developer (Trainee)

An Event Management System (or Event Management Software) helps organizers plan, execute and Report on events, driving success for their business. A truly comprehensive event management system will allow users and organizers to access and manage all aspects of an event, including registration, marketing, engagement, integrations, physical planning and preparation, reporting and analytics, and more.

On college and university campuses, events are happening all the time, whether student or faculty-focused, and often through in-house or third parties and vendors.

Module

- Create a custom objects, Registration of Candidates, Recent Research Paper, Payment Option ,Delivery of Proceeding
- Used automation tools for sending email alert Registration of Candidates to Delivery of Proceeding
- Involved in Setting up Users, roles, profiles and Security settings.
- Approval Process for Approving the payment option in approving the customers
- Designed and developed various functional needs in the application.
- Used Data Migration Tools for Inserted data with "Data Loader."

PROJECT TITLE: Online Student E-Result System

ENVIRONMENT: configuration, Apex, Trigger

KEY ROLE: Salesforce Admin/Developer (Trainee)

Project name is student E-Result system due to pandemic this project will happens here I can create 6 objects as per client requirement use most of the data type. While crating the fields also use formula for age calculation purpose and total marks calculation purpose. I use relationship bet teacher and student MDR. For email sending I use workflow and process builder for different different purpose. Also use approval process. Create a dashboard for showing the graphical representation of students.

Module

- Developed various Custom objects, Tabs, Relationship data model, validation rules.
- Involved in setting up field level access for each custom object created based on the user's role within the organization.
- Created an Approval process on the basis of income profile which will we approved by.

- Defined lookup and master-detail relationships to establish connectivity among objects.
- Created workflow rules for sending email alert, filed updates to implement business logic by using process builder.
- Developed trigger to make email field compulsory and backup order summery data before delete.

PROJECT TITLE : COVID-19 DATA API INTEGRATION

REFERENCE : *HTTPS://API.ROOTNET.IN/COVID19-IN/STATS/LATEST*

The COVID-19 Data Tracking API displays COVID-19 case data and details about local government policies in effect to curb the spread of COVID-19 based on the user-specified location.

MODULES

- Fetched JASON from COVID19 Data API with API key(Google official case count)
- Retrieving the required data from the JSON to get the Thumbnail, id, page info etc.
- Make a callout from our apex class for the fetching data sheet.
- Retrieve the response and map that too wrapper variable and return that wrapper.
- Mapped the data on server-side controller to get related COVID-19 data results. Add
- Remote site setting (*HTTPS://API.ROOTNET.IN/*)

EXTRA CURRICULAR

- Actively Participated in Dance Competition at College Level.
- Event Coordinated for "OORJA 2014-2016" (Department level)

SKILL HIGHLIGHTS

- Administration
- Development (Collections, SOSL, SOQL, Trigger, Apex, Batch Apex, Test Classes)
- LWC (Lightning Web Component)
- Aura Component
- Integration
- Vlocity
- Visualforce , Html, JavaScript

OTHER SKILLS

- **Programming Languages known :** C, C++
- **Soft Skills :** Office Automation Tools (Ms- office, Ms- Excel, PowerPoint Presentation)

PERSONAL INFORMATION

DOB : 25/08/1994
Gender : Female
Nationality : Indian
Marital Status : Single
Passport : Available
Languages : Marathi, Hindi, English

DECLARATION

I hereby declared that the information given above is true to the best of my knowledge.
