Collaborative team player adept at delivering projects on time and within budget. Eager to apply academic background and practical experience in a challenging IT role.

## Experience

● **Web Developer**  
**Cloudinfosoft, Vadodara**  
**Jan 2024-Present**

- Developed and maintained a professional, responsive website to highlight the company's services and projects.
- Employed PHP, HTML, CSS, and JavaScript to create dynamic, visually appealing web pages with a seamless user experience.
- Designed and implemented an intuitive navigation structure, enhancing usability and accessibility for diverse audiences.
- Integrated contact and inquiry forms with backend email functionality, ensuring secure and efficient communication.
- Collaborated with the client to understand requirements and delivered a design aligned with the company's branding and business objectives.
- Optimized the website for performance, ensuring fast loading times and smooth functionality across devices.
- Applied SEO best practices to improve search engine rankings and drive organic traffic.
- Conducted rigorous testing for cross-browser compatibility and mobile responsiveness.
- Designed and launched a professional website using Wix, ensuring a visually appealing and responsive design.
- Customized templates to align with the brand's identity and aesthetic requirements.
- Integrated interactive features such as galleries and forms to enhance user engagement and improve client communication.
- Ensured the website was mobile-friendly and optimized for cross-device compatibility.
- Applied SEO best practices within the Wix platform to improve search engine visibility.
- Managed content updates and provided post-launch support for smooth operations.
