WORK EXPERIENCE

ACCENTURE SOLUTIONS PVT. LTD.

Application Development Analyst

MFF Nestle   *Oct 2023 - Current*

- Designed and implemented automation solutions such as Flows, Async Apex Classes, and Approval Processes to streamline workflows and enhance efficiency.
- Developed and deployed scalable solutions using Apex Triggers, Lightning Web Components (LWC), and Aura to improve functionality and minimize code redundancy.
- Delivered end-to-end Salesforce solutions, including Custom Objects, Triggers, Batch Jobs, Schedulers, and custom Experience Cloud pages.
- Integrated Salesforce with third-party systems using RESTful APIs and demonstrated a foundational understanding of SOAP integrations.
- Monitored scheduled jobs, resolved errors promptly, and maintained system reliability.
- Conducted deployments using DevOps tools, Change Sets, Workbench, Bitbucket, and GitHub for version control.
- Resolved defects during FUT, SIT, and UAT testing phases, ensuring smooth org migrations and data integrity.
- Performed release impact analysis for Salesforce updates to prevent disruptions and ensure compatibility.
- Authored test classes with over 90% code coverage, ensuring robust and reliable solutions.
- Experienced in Agile development environments, collaborating effectively with cross-functional teams.

Application Development Associate

MBCC/MBS Group   *Jan 2023 - Sept 2023*

- Designed and configured Salesforce orgs, including creating Roles & Territory Hierarchy, Profiles, custom objects, fields, Flows and validation rules with a focus on security.
- Proficiency in managing SFDC Administrative tasks like creating Permission Sets, Users, Sharing Models, Page Layouts, Reports and Dashboards etc.
- Streamlined integrations between Salesforce and SAP, ensuring uninterrupted data flow.
- Created custom reports and dashboards to enhance data visibility and support decision-making.
- Authored Technical and Functional Design Documents to guide project implementation.
- Implemented Multi-Factor Authentication (MFA), Single Sign-On (SSO), and DKIM key setup for security and email deliverability.
- Led Salesforce implementation projects, achieving client satisfaction and timely delivery.
- Addressed end-user issues by debugging Apex, Flows, and admin configurations via ServiceNow portal.
