Priyesh Sahaniya - DevOps Engineer

Email: priyeshsahaniya@gmail.com | Phone: +91 7906771578 | LinkedIn: linkedin.com/in/priyesh-sahaniya

Professional Summary

Results-oriented DevOps Engineer with 4 years of experience in cloud migration, infrastructure automation, and CI/CD pipelines. Proven expertise in Azure DevOps, Jenkins, GitLab, and Kubernetes. Skilled in optimizing Java applications, reducing manual errors by automating deployments, and troubleshooting cloud infrastructures. Adept at collaborating with cross-functional teams to deliver scalable solutions.

Core Skills

- Cloud Platforms: Azure (VMs, AKS, Key Vault, VNet, ARM Templates)

- DevOps Tools: Jenkins, GitLab, SonarQube, Coverity

- Programming: Bash/Shell, Python, Java, YAML scripting

- Automation: CI/CD pipelines, monitoring, alerts

- Migration Expertise: On-premises to Azure Cloud (Ant to Maven, application refactoring)

Experience

DevOps Engineer

TCS | Oct 2020 - Present

Key Projects:

US Bank Migration Project:

- Migrated 10+ on-premises applications to Azure, reducing downtime by 15%.

- Automated CI/CD workflows using GitLab, cutting deployment time by 30%.

- Monitored and resolved infrastructure issues, ensuring 99.9% uptime.

Boeing Migration Project:

- Migrated Java applications from Ant to Maven, improving build efficiency by 25%.

- Implemented parameterized Azure pipelines, enhancing reusability by 40%.

- Resolved 20+ critical bugs post-migration, improving application performance.

Tata Digital Ltd Maintenance:

- Developed REST APIs and JUnit test cases using Java Spring Boot, improving code coverage to 85%.

- Automated deployments with GitLab, decreasing manual errors by 25%.

Achievements

- Reduced deployment time by 30% through CI/CD automation.

- Migrated and optimized 15+ critical applications for Azure, improving performance by 40%.

- Enhanced team efficiency by implementing reusable pipelines and scripts.

Education

- B.Tech in Computer Science | IEC CET, Greater Noida (2019) | 71%

- Class XII | UP LSL SD Inter College, Muzaffar Nagar (2014) | 79%

- Class X | UP LSL SD Inter College, Muzaffar Nagar (2012) | 81%

Certifications

- Microsoft Certified: Azure Administrator Associate

- Certified Jenkins Engineer

- Python for Data Science
